# BUILD YOUR BRAND AT THE PREMIER EVENT FOR INTERNATIONAL TRADE.

Building on the incredible success of the past two years, the Import Export Show returns on 19 November 2025 for its third edition. Don't miss the chance to get your company involved.

With outstanding feedback from sponsors and attendees, this year's event promises to deliver valuable insights into the future of global trade. Featuring a lineup of distinguished experts discussing trade policy and supply chain challenges, the third Import Export Show is an essential platform to elevate your brand.

Whether your business supports professionals or companies in international trade, the Import Export Show offers the perfect stage to showcase your services.

**Join us at the third Import Export Show and market your business as a leading partner to senior decision-makers in exporting and importing.**
